Did you know?

NYS Law allows you to take home leftover wine? Ordering wine by the bottle offers a better value and often better quality wine. You can't lose! If you don't finish the bottle, we'll re-cork it for you, bag it, and you can drink it tomorrow! Slainté!

Full service restaurants continue to offer great value for the service we provide while battling the increased costs of doing business. Rather than raise entrée pricing and include a sometimes unwanted salad, we have followed the lead of many other restaurants and have opted to give our guests that control. We have now lowered our entrée pricing and offer side salads on an ala carte basis. As always, rolls are available at no charge upon request. Thank you!
